

REAL WEDDINGS

Lana and Bojan

Weddings
in Houston.

Sometimes it takes a wedding to inspire a wedding. Take the case of Houston lovebirds Lana and Bojan, who traveled to New Mexico for a friend's nuptials. "The day before the wedding, Bojan surprised me by renting a car and taking me sightseeing through gorgeous forests and snow-covered slopes," Lana recounts. On the way back to their hotel, Bojan stopped, got out of the car, and told Lana to close her eyes. "When I opened them, he was standing next to a snowman. He asked me to look inside the snowman, and when I did, I found the engagement ring. Truly one of the happiest days of my life," the bride says. Another happy day? The day of the couple's magnificent La Colombe d'Or wedding, of course.
